Dear Alumni Friends

We're Back!

I am so pleased to announce our first newsletter for our alumni in almost 8 years. It is the newest gift we can give our alumni. We have been working very hard over the past 2 years – trying to make you proud. I am also extremely proud of our Board of Directors – a true team – working hard for you.

In this newsletter, you can read how active your alumni association has been. We have awarded scholarships and assisted with reunions. We are reestablishing the Distinguished Alumni Award and the Athletic Hall of Fame. This year we created a new **Educator and Staff Member** Hall of Fame category and inducted four charter members. (see article)

I want to invite you to connect with us on Facebook, Twitter and our website – www.auroraohioalumni.com. We want to communicate with you!

I want to thank all of the new Life and Yearly members of our association. Without your donations, we would not be able to provide all that we do.

Finally, please enjoy the newsletter. We are so proud to include you as a proud graduate of Aurora High School.

Keep in touch! Go Greenmen!

Our Alumni Association, in cooperation with the Aurora Athletic Department and the Aurora Schools is now responsible for the Aurora High School Hall of Fame. We are looking forward to annually inducting outstanding individuals into one or more of our three Hall of Fame categories; Athletic, Distinguished Alumni, and Honored Educator/Staff Members. Nominations are made by Alumni only. **The Hall of Fame criteria is on our website.** Visit our website, see all our Hall of Fame recipients.

2013 Aurora Alumni **Hall of Fame** inductees
(L-R) John Smolko, Mary Ann Balbach, Daniel Dyer,
and Robert Luckay

Aurora High School's 2013 Homecoming festivities included the induction of four Aurora City School's teaching icons into the new "Honored Educator/Staff Member" Hall of Fame. **John Smolko, Daniel Dyer, Mary Ann Balbach** and **Robert Luckay** were our charter inductees. These outstanding teachers were nominated by former students. The honorees were officially inducted at a special Hall of Fame luncheon at Aurora High School where they were honored with speeches from their nominators, city and school officials, and presented with plaques. Later that day our new Hall of Famers met with former students and reunion attendees at our Alumni Tent at the Homecoming Football Game. At halftime they were presented on the field in front of a large enthusiastic crowd who honored them with a standing ovation. A new "Honored Educator/Staff Member" Hall of Fame location is being created to permanently display beautiful plaques in honor of these honorees and all future inductees into this new category.

A Message from our Superintendent Russ Bennett, Class of 1978

Dear Alumni,

It's with great pride that I write this letter to you about what great things are happening in the Aurora City Schools, and within the Aurora Alumni Association. As a 1978 graduate of Aurora High School, I have a unique perspective on how our schools have transformed over the years. I'm proud to say that our schools are known as an outstanding institution both within Ohio and nationally. Both Aurora High School and Harmon Middle School have been named Blue Ribbon Schools by the US Department of Education. This is one of the highest honors a school and district can earn. Additionally, this year AHS was named a Gold Medal winner by US News and World Report and ranked #13 in Ohio and 287th best high school in the nation. Harmon Middle School just received national recognition by the publication, "The Best Schools" where they ranked Harmon #9 in the nation. Besides these two recent accolades, your alma mater has earned the highest rating by the Ohio Department of Education as being ranked Excellent for 12 consecutive years. There are many other accolades the district has earned, but as you can see we not only have a state presence but a national one as well.

Our Alumni Association is doing a great job of reconnecting with our alumni all over the world. We hope you have joined our alumni association and are willing to connect with your former Aurora friends to share the great things that are happening at your alma mater. If you have not had a chance to join, please consider doing so soon! There are so many great things happening within our schools and in Aurora that now is a great time to get reacquainted. For the past two years our Homecoming Football Game has welcomed and reconnected with hundreds of alumni. If you have the opportunity, place October 17, 2014 on your calendar. This will be our homecoming night and we would love to see you and share those great memories. Please stop by the alumni tent where you can meet your friends from the past.

We hope you stay in touch with us. To learn more about the Aurora City School District, please visit our website at www.aurora-schools.org.

We hope we can connect with you soon!

Sincerely,

Russ Bennett
Superintendent--1978

**Scholarship Award**

The Aurora Alumni Association was pleased last year to reinstate their tradition of presenting scholarship awards to Aurora graduating seniors whose parents or grandparents are Annual or Lifetime members of the Alumni Association. Our Alumni Scholarship Awards were presented in 2013 to Nicholas Groth, Alexis Clossin, and Kathryn McClure. In 2014, Zachary Stahl, Michelle Cheselka, Adrien Helmuth were awarded. These honored graduates joined a growing number of Alumni legacy recipients that have received these awards since 1994. Your gracious annual and Lifetime membership contributions support these scholarship awards.

When you think Alumni you think Reunions. We want you to stay connected and come back to Aurora. Over the past 20 years we have painstakingly built a data base that has the best information we know available for at least 8,000 graduates. We have a Reunion Coordinator on our Board who is dedicated to helping you any way she can to planning your reunion.

YOU'LL BE AMAZED AT WHAT WE CAN DO TO HELP YOU

The "AAA" suggests the best time for a reunion is around the 4th of July, or at Homecoming weekend in the fall. You could be part of the parade on the 4th! Your class will be recognized during the Homecoming game! Greet friends at the Alumni tent. We will arrange for you to tour our impressive High School on Friday afternoon before the game. We will help you set your venue and plan your menu for your reunion party.

A New Tradition

The Alumni Tent at A.H.S. Homecomings

Since 2011 local Aurora graduates and Reunion Alumni attending the A.H.S. Homecoming Games have been greeted at the stadium by our own Alumni Tent. Promoted by Alumni President Matt Shanholtzer, the tent serves a focal point for the Alumni, where they are treated to special cake-pops made by an Aurora Alumni. It's a great place to see old friends, update your information, buy Alumni t-shirts, and meet with our newest Hall of Fame inductees. Stop by and see us. "The Tent" is just another great way for us all STAY CONNECTED!
